GROWER CONSENT

By checking "I agree" below, Customer consents to Syngenta's collection of Customer information, including contact information and transactional sales data, from Customer and Customer's retailer(s) for the purposes of: a. calculating, processing and delivering program payments to the Customer; b. establishing and maintaining good Customer relations; c. responding to Customer requests or inquiries; d. better understanding Customer needs and preferences; e. developing and enhancing products and services; f. managing and developing Syngenta's business and operations; and g. other purposes with Customer's consent or as permitted or required by law.

I agree I do not agree Signature: _____ Date: _____

A file containing Customer information will be maintained at Syngenta offices. Syngenta employees, agents and service providers (including affiliates acting in this capacity) may have access to Customer information. For more information about Syngenta personal information practices (including its use of service providers outside of Canada), to request access to or correction of this information, or to withdraw consent, Customers may write to the Syngenta Data Privacy Officer at Syngenta Canada Inc., 140 Research Lane, Guelph, ON, N1G 4Z3 or call 1-888-368-4211. View the Syngenta privacy statement online at <http://www.syngenta.com/country/ca/en/Pages/PrivacyPolicy.aspx>.

Partner Program™ and the Syngenta logo are trademarks of a Syngenta Group Company. Liberty Link® is a registered trademark of Bayer. Monsanto Company is a member of Excellence Through Stewardship® (ETS). Monsanto products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Monsanto's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. Commercialized products have been approved for import into key export markets with functioning regulatory systems. Any crop or material produced from this product can only be exported to, or used, processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for this product. Excellence Through Stewardship® is a registered trademark of Excellence Through Stewardship. Roundup Ready® crops contain genes that confer tolerance to glyphosate, the active ingredient in Roundup® brand agricultural herbicides. Roundup® brand agricultural herbicides will kill crops that are not tolerant to glyphosate. Genuity and Design®, Genuity®, Genuity Icons, Roundup Ready 2 Yield®, Roundup Ready® and Roundup® are trademarks of Monsanto Technology LLC. Used under license. Always read and follow grain marketing, pesticide label directions, and all other stewardship directions. Details of these requirements can be found in the Syngenta Stewardship Agreement, your Monsanto Technology Stewardship Agreement, and the Monsanto Technology Use Guide. © 2017 Syngenta.
